

ASC SILVER CONSULTING SERVICES

Question: What is the potential impact of the business owner marrying one of the other plan participants?

Answer: The individual immediately becomes an HCE, if not already, impacting testing...

Question: An HCE wants to make after-tax contributions to a safe-harbor 401(k) plan to maximize their allocation, can they?

Answer: Yes, unless the amendment violates one of the four prohibitions in IRS Notice 2016-16, which...

Get your ERISA questions answered quickly, accurately and affordably by our team of ERISA attorneys and accredited professionals

Silver Consulting is a special add-on benefit available only to ASC's Plan Document clients

- An affordable monthly fee allows staff to remit a set number of general ERISA questions per year
- Your plan document and document generation system questions are included in your Plan Document System fee and are not counted as Silver Consulting ERISA questions
- You can submit both plan-specific and general ERISA questions
- Easily submit your questions while logged into the Plan Document System or via email
- Silver Consulting is consultant analysis of ERISA-related issues and does not constitute legal advice

Our ERISA team of experts, led by John Griffin, J.D., LL.M., averages over 35 years of industry experience!
