

DATA EXCHANGE

DGEM Plan Documents & Form 5500s

Flexible Web Service & API Options

ASC, the premier choice for integrated retirement software solutions with unparalleled client support every step of the way, offers an API for the Retirement Plan Documents housed on ASC's Document Generation & Management (DGEM) System Platform.

The DGEM Docs API allows for seamless interaction with your ASC Plan Documents and Form 5500s so you can conveniently exchange and update your retirement plan information.
